Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. ## **4. USE OF WEB BEACONS OR GIF FILES**

[www.pepespizzeria.com](http://www.pepespizzeria.com) web pages may contain electronic images known as web beacons – sometimes also called single-pixel gifs – that allow Frank Pepe Pizzeria

Napoletana to count users who have visited those pages and to deliver co-branded services. Frank Pepe Pizzeria Napoletana may include web beacons in promotional email messages or newsletters in order to determine whether messages have been opened and acted upon.

Some of these web beacons may be placed by third party service providers to help determine the effectiveness of our advertising campaigns or email communications. These web beacons may be used by these service providers to place a persistent cookie on your computer. This allows the service provider to recognize your computer each time you visit certain pages or emails and compile anonymous information in relation to those page views, which in turn enables us and our service providers to learn which advertisements and emails bring you to our website and how you use the site. Frank Pepe Pizzeria Napoletana prohibits web beacons from being used to collect or access your personal information.
